## Teaching Methodology:

During the laboratory lessons, students will practice their listening and repetition skills in order to execute different exercises such as chronological order, identification of key words, recognition of digressions in different contexts, use of paraphrasing, organizing ideas and summarizing information found in audiovisual materials, oral reading comprehension, discussion and analysis, vocabulary recognition and evaluation---as well as using situational ethics in which to analyze and discuss the short readings and course contents within the course anthology. Each student will use laboratory equipment to perform the different practices within the lessons being covered in the textbook North Star: Listening / Speaking (High Intermediate) 2<sup>nd</sup> Edition. Students should be ready and willing to work during the course sessions.

### METODOLOGÍA DE ENSEÑANZA:

Durante las lecciones de laboratorio se practicara la habilidad de escucha y de repetición para realizar los diferentes ejercicios tales como el orden cronológico, discriminación de palabras claves, reconocimiento de digresiones en diferentes relatos, utilización de paráfraseo, organización de ideas y resumir información contenida en materiales audiovisuales, de comprensión de textos orales, de discusión y análisis, de reconocimiento de vocabulario y de evaluación--además de utilizar la ética situacional en el que analizar y discutir las lecturas cortas y contenidos del curso dentro de la antología del curso. Cada estudiante utilizará el equipo de laboratorio para realizar las diferentes prácticas y atenderá a lecciones con el material, el libro de texto North Star: Listening / Speaking (High Intermediate), listo para trabajar.

## Course Policies

- Please note that university rules clearly and emphatically stipulate that all cell phones must be turned off during class. As such, lab students are to place their phones within their bags which are then stored in the English lab bookcase near the door.**

- All absencies must be cleared with the professor in order to continue with the course. One unjustified absence results in the loss of this course. An absence may be justified with a certified note from the UCR doctor or a death in the immediate family. In either case, the justification must be turned in no later than a week from the absence.
- Three late arrivals equals 1 unjustified absence---the same goes for leaving early from class.
